*Sailing schedule and arrivals at Svea might be adjusted, and planned arrivals might be postponed or changed due to volume of goods.

Shipments must be delivered at Bring Tromsø two business days before departure, before 3pm. Fresh and refrigerated cargo (food) needs separate agreement. Shipments from Longyearbyen must be delivered at Bring Cargo Svalbard two workdays before arrival according to sailing plan.

Customs documents must be at our hand within delivery times, as Svalbard is outside Norwegian customs area. If these documents are not provided, the goods will not be shipped.

Please send price requests and customs documents at e-mail: tromso.support@bring.com

Winter surcharge will apply in the period 01.01 – 31.03. Goods requiring special equipment or extra time for loading and unloading must be booked in advance, as it could lead to additional costs. Special circumstances as weather and ice conditions might change the sailing plan and our disposal of the ship. Please note that Bring's liabilities are defined by the Norwegian Maritime Code and NSAB.

We advise customers to use our service "Business Parcel" if you have consignments with real weight not more than 35 kg. Alternative would be «Norgespakke», if the consignee is a private person.
